What's Going On

AAW Symposium 2020:

An important item you will want to check out is the AAW's recent announcement to conduct a virtual symposium on July 10-12, 2020, for a very reasonable fee of \$20.20! At least six well known professional woodturners will demonstrate projects including Rudy Lopez, Cindy Drozda and Glenn Lucas, and there will be general AAW Board and guest discussions similar to the regular in-person events. Check out the registration details at AAW's website (www.woodturner.org) and note registration closes July 3, 2020.

Club Activities:

Several members of our club participated in recent virtual demonstrations by Glenn Lucas and learned some invaluable tips on turning his Viking Dublin Bowl and platters. In addition to sharing his impressive skill and experience in his characteristic friendly and entertaining manner, Glenn and his wife Cornelia connected us virtually with fellow woodturners across our region and well beyond! We will continue to pass along announcements of these virtual events and coordinate with our neighboring clubs to promote these events as we continue to plan for a return to our in-person meetings.
